MetaQuizzical Music in Action

OUR VISION - A healthy planet in balance with humanity; humanity living rich, interconnected lives in harmony with each other

OUR MISSION - To use our original music as a medium to invoke a spirit of playful curiosity and exploration at the intersection of art, science, philosophy and action toward the evolution of human consciousness

OUR TOOLS - PERFORMANCES (Concerts, Conferences, Museums, Retreat Centers, Travel experiences, etc.) **EDUTAINMENT** (School assemblies & classroom programs, the MetaQuizzical Cafe: A music, science & philosophy salon--live shows and podcasts)

SONGWRITING SERVICES (commissions and songwriting workshops)

BUILDING PARTNERSHIPS (Promoting projects and organization via our podcasts and blogs; Joint projects, Event production services)

"MetaQuizzical" Defined

("with" questioning) A state of playful, curious inquiry into the nature of life & existence. "Without questions . . . there are no answers"

About Jim Ocean's Music

Music for the MetaQuizzical

Fresh musical wanderings through the comedies and tragedies of the human experience. Nick Drake meets the Beatles meets Nietzsche with a solar flashlight and a GPS

With tunes that are thought provoking, humorous and wise, Jim's music is custom-made for those with "extra sensory curiosity"--with an appreciation for art that makes them think, feel, laugh and reflect.

[Listen to the Sidewalk Astronomer](#)

The MetaQuizzical Cafe with your hosts, Jim & Kathy Ocean

A tasty stew of original live music, science news, and commentary that mines the curious boundaries between science, art, fact and fantasy.
